```
graph TD; A["/home/musex025/Desktop  
/project-musex025/iteration2  
/src/communication.h"] --> B["src/common.h"]; B --> C["random"];
```

A vertical flowchart with three rectangular boxes. The top box is shaded gray and contains a full file path. A blue arrow points down from the top box to a white box in the middle, which contains a relative file path. Another blue arrow points down from the middle box to a white box at the bottom, which contains the word 'random'.
